# SUPERMARKET SMASH

I love international supermarkets. They are more than a repository of food and drink. They are a place where people gather, work and communicate. Look at the guys who work there. Where else except college can you see so many attractive hunks in one place? And there's something for everybody!

The handsome young studs are often baggers or junior cashiers. They also stock the grocery products. There are older guys too, from their 30s upward. Some of them, with mustaches or tight pants, are as appealing as the college kids. Or more so. Men with flashing dark eyes and easy smiles.

Nearly every international market has a treasure trove of potential lovers just waiting to be of service. It always helps if you're fairly young and attractive, not to mention sexy. The key is being friendly and accessible.

Without realizing it, most of us erect an invisible barrier around ourselves that says 'Don't touch, don't get too close or don't get too intimate!' The guys you see at the supermarket are a typically outgoing and cheerful bunch. They're also as sexual as guys you'll find anywhere, and it's my theory that working in a place that caters to mankind's most primal, sensual need—food; eating—makes a man at a market even sexier than usual.

My first such experience occurred at a Mexican market before I'd realized what was happening. I was in the produce department and needed to ask the price of some unmarked avocados. I found the manager in charge of that department and I was impressed by his unusual good looks. However, I was interested in the avocados.

He told me facts I didn't know, like different ways to consume and serve them. Before I knew it we were talking like old friends. Then I took a long look at him. The man (who later told me his name was Carlos) was about 32, dark haired, with blue eyes and muscles that rippled beneath his shirt. His crotch was covered by an apron, but the rest of him was prime meat.

Somehow or other it slipped out that I was divorced, and he turned out to be single. He asked me out to dinner that same night—a place, he said, where one of the specialties was avocado halves stuffed with crab. I accepted on the spot. Attracted by his tremendous looks and self-confidence, I was sure he had ulterior motives. But so what! At that time, even though I had never had sex with anyone other than my ex-husband, Henry was the guy I would have chosen to initiate me into a world of wild passion and self-fulfillment.

After an excellent dinner we went to his place, where we danced to slow tunes. Drawing on all my courage, I made the first move, placing both my hands on his substantial thighs. He froze. I pressed and slid my palms toward his crotch. Within seconds a thick lump appeared beneath his pants, and we danced into the bedroom. I stripped and got beneath the covers. He smiled with a sexy wink, then bent his head and kissed me... on my moistening pussy.

He stripped down to his underwear. I could see he was half hard and I was itching to remove those briefs and get at his bulging manhood. As he stood by the side of the bed, I caressed his dick and felt his strong but tender flesh, the weight of his balls in the base of my palm. Then I leaned forward and kissed him through his briefs.

I lowered them, revealing the base and shaft of his meaty cock, and finally the rosebud tip, which flared out like an inviting mushroom. I took the sausage between my hands, kissed the tip, and then teased the flared corona with my tongue. It was unlike anything I'd ever done, yet it happened so naturally and it was a very erotic thing.

We had a beautiful night of passion—far better than any sex I'd had with my ex-husband—even on my honeymoon. After Henry and I had finished fucking, we began discussing how we'd met, and the supermarket where he worked. He told me about the sexual hijinks at a typical supermarket: most of the guys he worked with had enjoyed a sexual relationship with a customer somewhere along the line.

Henry startled me by saying a bagger at the market thought I was a hottie. He promised he wouldn't tell the other guy we had gotten it on together, but I was intrigued. I was determined to have another supermarket episode. I saw Henry once more after that, but we never hooked up again. However, I did have another fling at the supermarket ... with a cute blond bagger.

He couldn't have been more than 20. I caught him when he was out in the parking lot, rounding up carts. I struck up a conversation, but I tried not to say much. I had on a hot outfit and acted sexy as I got closer and closer to him. It didn't take him long to catch the drift and suggest that we get together. While I didn't want to date the boy, I did want to have sex with him.

**H**e suggested his place after work, but I couldn't wait. "Don't you have a break coming up?" I ventured boldly. "Maybe we can shoot over to my place and be back here in 15 minutes or so." He said he wasn't allowed to leave the store area during working hours. "What do you suggest?" I asked.

"Ask somebody where the bathroom is. I'll be there," he promised.

I wasn't sure what to expect when I got there. The boy (I never did get his name, and frankly I didn't care) was in a small hallway, where there was little traffic; it wasn't for shoppers. He motioned me into a small room, like a broom closet. It was empty, except for some boxes and memos stuck on the wall. After we were in, he shut the door and locked it. It was dark, and I waited for him to make the first move.

"Now I've got you all to myself," he said, tense and excited. "I've wanted to bang you for a real long time." I asked him to tell me what he wanted to do.

"I've seen you, bending over to squeeze those tomatoes or reach for a cut of meat or something," he rasped lustily, all the while feeling my waist and hips, his body pressed against mine. "I thought you had the cutest ass. I've been wanting

to ram my cock up your tight little ass." My God, I thought, there isn't room enough for that in here! So I decided I'd better take over.

"Take it out," I whispered. He knew what I wanted, and within seconds I felt this enormously long dick in my hand. It must have been a good 9 inches! I stroked it a while, then scrunched down until it was on a level with my mouth. First I took the head, which was leaking from excitement. Then I tongued my way across its impressive length, sideways, on top and underneath. I held his balls firmly, playing one against the other, and then I sucked him again, taking as much as I could (though not all—it was too long and I hadn't yet had enough experience for that). I knew that I had to work relatively fast, since the circumstances were less than leisurely.

As I continued sucking, pausing occasionally to listen to his heavy breathing, I became more excited myself. I wished for the time and space to diddle my clit while I chewed on his magnificent young cock, but I settled for fingering my pussy through my thin panties. The boy put his hands on my head and suddenly I felt the head of his cock expand, and I knew he would come very shortly.

Somehow, it took me to a higher level of sexuality. I could have come right then and there. As my young lover began to spurt thick jets of hot cum, I was eager to take his entire length so I crammed his big dick down my throat. I felt him pulsate inside my mouth, his liquid draining down, down, down. As he was coming he moaned, "It's the best, the best, the best!" By this time I was ready for more, for my specific pleasure when, wouldn't you know, somebody tried to get in. They rattled the knob and called out repeatedly, "Anybody in there?"

They stood there for a few seconds, and then walked off. We could hear our hearts pounding! The boy pulled up his pants and I stood up. I was disappointed that we weren't going to fuck. I had drained him first, to ensure that he

would last when we finally fucked. Obviously that approach wasn't practical in a supermarket broom closet. Then we were too nervous to continue. But I knew this particular experience, in the very bowels of a typical supermarket, would remain etched in my sexual memory forever. The boy opened the door, looked around, and then told me to slip out quickly. He would exit a few minutes later. Appearances, you know.

I saw him again a few times. He was friendlier than ever, with a charming smile, but we never got around to having sex again. Still, it didn't take long for me to fulfill my fantasy of the zipless fuck.

At another supermarket I met a another Latin American with a sexy mustache and green eyes who caught my fancy. His name was Enrique. He was friendly from the start, a great personality, and he wielded quite a bit of authority in the store. I'd say he was in his 30s.

One day I bumped into him on his day off. His shirt was open nearly to the waist, with a gold necklace highlighting his hairy chest. On him it looked great, not tacky. He also wore cowboy boots and hip-hugging jeans. His smile melted

me, especially when he combined it with a piercing look that seemed to zing right through me, ending in my moist cunt.

We chatted briefly. I knew I could have had him right then. But somehow he was more exciting when he was in uniform and working. Making it then would be more outrageous than when he was simply a man on his own time. I am not a fetishist, but I do know what I like. So I dropped a hint that I'd be in the following day. I said it in a very promising way. I didn't want to be too forward the next time we met.

And I didn't have to. Enrique saw me the second I entered the store. When I was in the dairy section he walked up and smiled at me. He said nothing more than "hola." He motioned that I should go with him. It was a setup like I did it in with the bagger boy, only this time there was a bathroom adjoining a small room, and both little rooms could be locked individually. We went into the space and turned the light off, but we left the bathroom light on so it could peek through the slats. Immediately I was embraced and kissed so warmly and roughly that I thought all my makeup would be transferred to my Latin lover's face.

We didn't say a word. I unzipped him and he hiked up my skirt. As I felt for his thick, large cock, he handled and gently squeezed my pussy mound, stroking the lips and pushing his middle finger in. His nice juicy cock was hard and I pressed my body to it, indicating what I wanted.

Enrique didn't waste any time. He pinned me against the wall and proceeded to slip it in. It wasn't as long as the bagger's, but it was considerably thicker, and the subtle pain was a highlight of our closet fantasy. Once he was in, Enrique gave me another bear hug, squeezing the breath out of me. I decided he was one I wanted to take total control over me. He was, in plain terms, a man's man.

Wordlessly he slammed into me, and then pulled out partially. He filled me up perfectly, and al-

though he was a bit rough, there was a touching tenderness in his eyes. I saw them sparkling in the dim light, his pupils huge with lust. Then he came. It was like an explosion inside his body, but he just kept pumping, his eyes screwed shut, until I too came, climaxing in his arms and kissing his neck in ecstasy and gratitude. It was a first-class zipless fuck!

About a half hour later I was in the pharmacy, and I saw Enrique strolling past. It gave me a tingle just to think of what we'd done, so secretly, in such a public and supposedly sexless institution. Of course, there have been times when I've met dudes in supermarkets and we got together at my place or theirs. I don't always do it in forbidden places, although that's more exciting. But such spots have their limitations, and there's something to be said for a relaxed pace.

I've always wondered what would happen if an employee were caught having sex with a customer on the premises. I asked a boyfriend and he said, "I know a dude that was caught. A married guy. He was a senior guy, in real good with the manager, and it was never reported to headquarters. Nothing ever came of it, but now they have a nickname for him: 'Stud.' I don't know what would happen to somebody with less status, though." Fortunately, I've never had to find out.

Lest you think my entire sex life is due to the supermarket, you're wrong. But a lot of it is. Maybe I've been especially lucky there, but I've not had the same quality elsewhere, either in the men, in the variety or in the screwing.

I think my supermarket hunks are better because they're hired for their pleasant personalities, their willingness to do real work and because they encounter real life every single day—not like in some boring professions or like the hard hats, who live in a macho world.

I mean, don't you think guys at the supermarket are nice all-around dudes? I always liked them, but now I also lust after them. I have a big weakness for the supermarket hunks!

# CELINE

## ME AND THE HORNY HOUSEBOY

*We flew all the way across the Atlantic from Paris to party in Las Vegas... There's nothing quite like Vegas, where the lights, sounds, drinks, and even the air all seem to conspire to send you into a hedonistic spiral.*

---

A few weeks ago, a couple of girlfriends and I decided to take a trip to Las Vegas at the last minute. We left Friday night and planned for a long weekend, splurging on a suite at one of the nicer hotels on the Strip, a room where each of us could have a bedroom for privacy while still having a great time together. It was supposed to be a weekend away from our daily lives and a chance to live a little. I got more than I was expecting.

There's nothing quite like Vegas, where the lights, sounds, drinks, and even the very air all seem to conspire to send you into a hedonistic spiral. It started the moment we left the room to begin exploring. A young hotel houseboy with a nametag that said "Raphael" greeted us was a smile as he walked

by. My eyes moved over his gorgeous body that fit perfectly into the hotel uniform, and I turned around to see his beautiful firm ass in the perfect pants. He turned to glance over his shoulder as we continued walking by, and despite his youthful innocence, his smile was a knowing one, as if he always got these looks. None of us could hide our glee at looking and getting caught looking.

Later that night, we found ourselves at the hotel nightclub. The bouncer waved us through, making us all giggle at each other to think of ourselves as hot, desirable Parisians. We barely took a dozen steps across the dance floor before various guys around the club offered us drinks, the glances from around us sending us into more rounds of giddy ecstasy.

The drinks and heavy music drew us out to the dance floor, where we all cut loose in a tight circle around each other. Eventually, I felt something behind me, like someone was dancing their ass against mine. I turned around with my eyes instinctively downward, seeing an ass that looked familiar. I looked up, surprised to see the houseboy's seductive and far less innocent look.

He was there with two friends, and the six of us quickly formed a large dance group. We danced around and with one another, but Raphael and I seemed to share a attraction, which suited me fine.

Eventually, one of my friends suggested heading back up to the suite, where we turned up the heavy music that continued to surge through our bodies. We left

the lights off, using the lights of the city and their seductive aura. Raphael sat with me on the couch, and we fell into each other's arms, making out. He had a skilled tongue that danced around my mouth with a tease that showed that innocent look from earlier was all a show. I easily slid out of my dress, leaving me in black panties and a bra.

Across the room, one of my friends was already on third base, sucking off one of Raphael's buddies while my other friend was pressed naked against the window, boobs out to the city, with Raphael's other friend behind her, slowly licking her neck.

But even as my attention checked on my friends, Raphael quickly got my attention back by removing his shirt to show how chiseled he was. I gasped with delight as I traced over the clear lines on his young chest. He straddled me on the couch, expertly moving his crotch over my lap. He leaned forward and made out with me again,

whispering sweet things into my ear in English and French, which drove me wild. He gave me all his attention, despite our friends in the room. It was like we were the only two in the world. I leaned back and let his tongue flash out along my neck, loving the moans he let loose that made me feel how deeply he wanted me.

His hands reached behind me and undid my bra, releasing my pillowy, pointed boobs. With a seductive glance, Raphael leaned me back and let that magical tongue flash over my nipples that instantly reacted to the attention. I let my hands run through his dark hair, wondering what else he would do to me, what else I wanted him to do to me. Almost as though he was reading my mind, he pulled my ass up to get my panties off, positioning himself expertly with the tip of his cock teasing and tickling my pubes just around my starved pussy.

Raphael took his time and let his pleasure come from mine. When

he was ready, his dick found its way inside my edged pussy, and it wasn't long before he pushed me over. Yet, he still took his time, moving slowly and methodically. The others finished, and our friends gathered around us, in awe even as they cheered us on. Raphael's smile only showed how much he enjoyed the attention, even as he continued to make me forget that anyone else was there.

They wouldn't make him go any faster than he wanted to, and they wouldn't get his gaze. He kept those deep hazel eyes locked on mine as he pierced ever deeper, my pussy getting hungrier with each thrust, pushing me into the "*petite mort*."

It wasn't until he pushed me over again that he finally let himself go, flooding me with his thick, warm juice. He stayed in, leaning forward to kiss me with a soft passion that I'll never forget. We stayed together until he had to work the next afternoon, sliding back into those perfect pants and the depths of my dreams.
